DATED 4th August 1934

FROM

President City Municipal Council
MYSORE

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore
BANGALORE

Sir,

I have the honour to state that since the transfer of the collection branch of the Vani Vilas Water Works to the Municipality from 1st April 1927 in pursuance of Government Order No L 4285-8/M1 84-26-6 dated 4/7th January 1927 the fee of - rupee one payable for restoring water connection in respect of house connections disconnected for default in payment of water charges was being paid by the defaulters direct atthe office of the Superintendent Vani Vilwas Water Works and the amounts so credited were being paid to the account of the Municipality by transfer adjustment in the monthly bills for the maintenance charges of the Vani Vilas Water Works

The above procedure was causing much inconvenience to the ratepayers inasmuch as the latter had to pay the arrears of water tax at the Municipal Office and then go to the Office of Vani Vilas Water Works which is at a considerable distance to pay the reconnection fee It was repeatedly urged by the public that this system might be changed and payment received at the Municipal - Office, as it caused inconvenience to them besides involving delay to some extent in getting the water service restored To obviate these difficulties it has been proposed to receive the reconnectio fee at the Municipal Office itself along with the arrears of tax and to immediately issue instructions on the phone to the Wate

Supply Department to restore water service the fact being also confirmed by letter

According to this method the difficulty now keenly felt by the ratepayers in going from place to place would be avoided and service restored with expedition

The question was fully discussed with the Director of Health and he agreed to the new procedure adopted provided that the amounts received on account of reconnection charges were credited to the proper head A copy of the decisions arrived at ~~at~~ the joint discussion is enclosed for perusal

The only point on which orders of Government are necessary is that the fee recovered on account of reconnection charges be permitted to be credited to municipal funds in the usual course a separate head of account being maintained therefor and the total received during a year being appropriated for meeting the maintenance charges The procedure now adopted may also be kindly approved

I have the honour to be

Sir

Your most obedient servant

Minchin

MYSORE CITY MUNICIPALITY

Copy of the decision arrived at during the joint discussion of the President City Municipal Council and the Director of Health in Mysore

---

1 The Municipality will collect all reopening charges h hereafter along with the Municipal water tax with a view to avoid inconvenience to the public by asking them to pay the water tax in one office and reopening charges in another Office situated far away from the previous one

2 That the Vice-President(who is in charge of the water supply section of the Municipality) will send a list of door numbers every day before 5 P M for which reopening charges have been collected by the Municipality and which require restoration of water service On receipt of this list by phone this office will restore service The Vice-President will confirm the list of numbers the same day in writing so that this office may check it on the next day

3 The President will keep a separate account of all reopening charges collected by the Municipality and remit it to any account in the Treasury indicated by the Director of Health if necessary until definite Government orders are obtained to permit the Municipality to collect the reopening charges and to appropriate the same to the water revenue of the Municipality or otherwise

4 The President will address the Government immediately in this matter

Letter No W.R 145 dated 6th August 1974 from the President, Mysore City Municipal Council, stating that the practice of payment of the fee for water connection in respect of house connections disconnected for default in payment of water charges at the Office of the Superintendent, Vani Vilas Water Works, and the arrears of water charges at the Municipal Office is causing inconvenience to the public and proposing that the reconnection fee may be allowed to be paid at the Municipal Office and credited to the Municipal Funds in the usual course under a separate head of account, for appropriation towards the annual maintenance charges of the Vani Vilas Water Works.

2. Note No.C.2[illegible] dated 17th September 1974 of the Director of Health in Mysore agreeing to the proposal.

3. Unofficial Note No 146/FAD I dated 17th October 1974, from the Comptroller to Government on the subject.

Order No. L 3820-22/Rnl 90-36-2

Dated Bangalore, the 24th November 1974.
6th December

The Comptroller suggests that the reconnection charges being one of the items of revenue to the Mysore Municipality to meet its quota of cost for the maintenance of the Vani Vilas Works may be credited to the Municipal Funds directly in the Mysore District Treasury. The suggestion of Comptroller is approved.
